The Legends Adult Women's Skills Soccer Clinic program is a proven method that guarantees you incredible individual skill and builds a strong sense of self confidence. All sessions are coached by expert staff. Every player is taught the power of positive thinking, a great repertoire of dribbling fakes and moves plus shooting with power, accuracy and touch. Our new state of the art facility provides a totally unique training ground that guarantees each participant the optimal setting to maximize touches on the ball and shooting opportunities. The KC Legends club is the most successful club in the history of the State of Kansas. With club alumni on National Teams, in MLS, Italian Serie A, the NPSL and Major Colleges, the foundation for this tremendous history of individual achievement is the superior skill training and psychological focus for life that the players develop. Become a part of the success story. Availability is limited, so sign up quick.
