WIN for KC Women's Triathlon & Duathlon presented by Garmin to take place Saturday, July 28

Roads to be closed for this charity event

KANSAS CITY, MO (July 24, 2018) – The 13th Annual WIN for KC Women's Triathlon & Duathlon presented by Garmin will take place this Saturday, July 28 at Smithville Lake in Sailboat Cove. Over 600 women from 10 different states will compete in the largest all female Triathlon in the Midwest. It is also a major WIN for KC fundraiser with 100% of the proceeds allocated towards supporting the mission of igniting the lives of girls and women through advocating and promoting the lifetime value of sports and fitness, while providing opportunities for participation and leadership development.

For over a decade, women have banded together at Smithville Lake to participate in this positive, empowering and encouraging race. This race was designed to create a safe and supportive atmosphere for all participants in hopes that they push their athletic and emotional boundaries.

To further ensure the safety of the participants and volunteers during this event on Saturday, the roads on the bike course will close at 7:30 a.m. until all cyclists have completed the bike routes. Roads are expected to reopen no later than 11 a.m. Highway W will be closed from Hwy J to Hwy C to all traffic, as well as Paradise Rd. The bike route will start at Sailboat Cove, head east on Paradise Road, continue south then east on Highway W where it will turn around at the intersection of Hwy C, and then back west on Hwy W to Hwy J where the participants will turn around and head back to Sailboat Cove via Paradise Road. These roads will reopen as the last cyclist clears the course and it is safe to do so.

WIN for KC has contracted with both the Clay County Sheriff's department, MODOT, and Clay County Parks and Recreation to provide traffic control during the race. Highway W will be CLOSED from Hwy J to Hwy C to all traffic during this time in order to maintain the safety of the triathletes.
